

# **HISTORY OF WATER AND WOMEN NETWORK IN PAKISTAN**

**The idea of water and women network emerged out of a presentation in the first south Asia water forum in Nepal in 2002**

**In 2004 in Bangladesh at the second south Asia water forum  
,the network was formally launched by the Pakistan  
delegation.**

- \* Later in may 2004, this network was provincially launched under the Pakistan water partnership.
- \* Baluchistan water and women network was launched in may 2004 ,soon after return from Bangladesh.
